Beyond Health & Techmedic 2026

Beyond Health & TechMedic: where healthcare innovation translates into partnerships, investment, and business.

Beyond Health & TechMedic is more than just a conference or an international exhibition; it's an ecosystem designed to connect knowledge, innovation, investment, and business in one place.

Participation options:

Expo Pass

Access to the Exhibition Area for all four event days (November 18–21, 2026).

Explore the exhibition hall throughout the event and discover the latest products, technologies, services, and innovations presented by leading companies, institutions, startups, and organizations in healthcare, biotechnology, medical devices, digital health, and related industries.

Ideal for visitors interested in discovering innovations, meeting exhibitors, and exploring new business and collaboration opportunities.

Personal streaming

Live and on-demand online access to the Congress and event content.

Follow the Congress from anywhere through your personal online account. Watch all keynote and concurrent sessions live or on demand, together with interviews, video capsules, and exclusive event content.

Your account remains active for six months after the event, allowing you to revisit presentations at your convenience. It also includes six months of membership in the Beyond Health & Techmedic community, providing access to news, updates, and selected member resources.

**Congress + Expo
(Full Pass)**

Complete access to the Exhibition, Congress, Networking Activities, Negotiation Tables, Personal Streaming, and one-year Community Membership.

Experience Beyond Health & Techmedic without limitations. Attend all four event days in person while also enjoying live and on-demand online access to every keynote session, concurrent conference, roundtable discussion, interview, and exclusive event content for one full year.

The Full Pass also provides opportunities to build strategic relationships, participate in networking activities, attend business and investment meetings, and join negotiation sessions with companies, institutions, investors, entrepreneurs, and decision-makers.

Your registration includes a one-year membership to the Beyond Health & Techmedic community, with continued access to news, innovation updates, scientific developments, and exclusive member communications.

VIP Experience Pass

Everything included in the Full Pass, plus VIP Lounge access and the Tequila Experience.

Enjoy all the benefits of the Full Pass together with exclusive access to the VIP Lounge throughout the four-day event.

On November 22, continue your experience with an unforgettable visit to Tequila, Jalisco, including round-trip train transportation, guided tequila tastings, a tour of the complete tequila production process, and free time to explore the historic town that gave this world-famous spirit its name.

Executive + ENE

Everything included in the Full Pass, plus the Beyond Health & Techmedic Executive Networking Experience (ENE).

Designed for executives, investors, entrepreneurs, government representatives, institutional leaders, and strategic partners seeking high-value business connections.

In addition to full event access, enjoy VIP Lounge privileges and participate on November 22 in the exclusive Executive Networking Experience – Tequila Edition, including round-trip train transportation, premium tequila activities, guided distillery visits, and a private executive networking session in Tequila, Jalisco.

VIP + ENE

The ultimate Beyond Health & Techmedic experience.

Includes everything offered in the VIP Experience Pass and the Executive Networking Experience (ENE), together with exclusive VIP activities and the Gala Dinner.

Enjoy unrestricted access throughout the four-day event, including the Exhibition, Congress, networking sessions, keynote and concurrent conferences, VIP areas, and exclusive opportunities to interact with speakers, executives, innovators, investors, and invited guests.

Complete your experience on November 22 with the Executive Networking Experience in Tequila, combining premium cultural activities with high-level executive networking in a unique setting.

Institutional streaming

Live online broadcasting license for institutions and organizations.

Designed for universities, hospitals, companies, research centers, professional associations, and public or private organizations wishing to broadcast the Congress live to internal audiences in auditoriums, classrooms, conference rooms, or similar facilities.

The license is valid exclusively during the four event days (November 18–21, 2026) and authorizes live internal viewing only. Recording, redistribution, commercial use, or resale of access is not permitted.
